6) There are two Parts in the Mysore Gazette of the present day in which Notifications of the kind adverted to by the Jud. Secretary may be published with facility. These are Part I and Part IV. A distinction is proposed to be drawn between Gazetted offices and non-gazetted offices, and it therefore becomes necessary to clearly define who are gazetted officers and who are not. ~~Generally speaking~~ Assuming that all officers whose names appear in the History of services of gazetted officers as gazetted officers, it ~~will~~ would mean that Revenue and Sub-Registrars would have to come under non-gazetted officers, which purpose can be notified separately. Whether such assumption is correct or not is a matter for consideration. From a perusal of the Fort St. George Gazette, it is seen that among the Notifications, Part I is mostly employed for Notifications regarding gazetted officers, while Part II contains Notifications inclusive promotions, changes etc of Sub-Registrars, Revenue D.P.W. Subordinates, Excise & Salt Inspectors etc. No Notifications appear about Tahsildars and they are promoted as Deputy Collectors or appointed Magistrates. In both the cases Notification

appear in Part I.

7) The arrangement in the Calcutta gazette is slightly different. Here Part I contains all notifications whether of the ~~superior~~ higher Civil Service or subordinate Civil Service.

8) Either of the following courses may be adopted if it is decided that gazetted appointments and non-gazetted ones should be notified separately:-

(1) Divide Part I into Part I & Part I A the former concerning itself with gazetted officers and the latter with the second class.

or (2) Notify non-gazetted officers in Part IV dividing it into two sections, one for appointments and the other for mis. notifications.

Before action is taken in this matter it will have to be settled once for all, what classes of officers should be notified in the gazette, & in this connection the first st. for Gazette may be taken as a guide.

We have many parts in the Gazette already & it will be inconvenient to multiply the parts of the Gazette.

I would suggest notes re Gazetted officers appearing in a Section (1.A) of Part I & those about non-Gazetted officers in another Section (1.B) of the same part. The former section may be styled notes about Gazetted officers & the latter notes about other officers.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

FINANCIAL SECRETARIAT,

Bangalore, Dated 26 April 44-49

No. Fl. 7862 / 1877

From

M. N. KRISHNA RAO, Esq., B.A.,
Financial Secretary to the Government of His Highness the Maharaja of Mysore.

To

T. Satyaraj Chetty, Esq., B.A.,
Comptroller, Mysore Government.

Sir,

With reference to your letter No.116/ G.A.D.141 dated 29th August 1918 suggesting that the procedure obtaining in Government of India to distinguish between Gazetted and Non-Gazetted Officers, may be adopted here, I am directed to state that Government would deal with each doubtful case on its merits and pass orders. Of course, the concession given to an officer to draw his pay on a separate bill cannot be regarded as having raised him to the status of a Gazetted Officer in all respects.

2. The suggestion contained in para 4 of your letter viz: that all appointments of Gazetted rank should be invariably notified in Part I of the Gazette and that appointments of non-Gazetted Officers intended for publication notified in a separate section is accepted by Government and necessary instructions will be issued.

I have the honour to be,
Sir,
Your most obedient servant,

Sd. M.N.Krishna Rao.
Financial Secretary to Govt.

From

For Financial Secretary to Governme

Letter No,113/ L.A.D.141 dated the 29th August 1918 from the Comptroller, Mysore Government.

Government having in their Order No.R.1857-9/L.R.487-17-2 dated 1st August 1918, permitted Mr.V.Krishnaswami Iyer, Honorary Assistant Engineer, Hassan District, to draw his -- salary on Gazetted Officer's salary bill form. I have the honour to state that Mr.Krishnaswami Iyer desires to have a salary intimation slip issued with the audit No.assigned to him recorded thereon.

2. In this connection, I may mention that under para 92 of the Public Works Code, an Honorary Assistant Engineer is a Non-gazetted officer and the concession given him to draw his pay on a separate bill cannot ipso facto be regarded as having -- raised him to the status of a Gazetted Officer in all respects. According to the practice followed by the Government of India the concession is merely confined to the use of the gazetted officer's salary bill form. In all other respects, the -- officers concerned are treated exactly as other Non-gazetted officers. The audit procedure to be followed in such cases is the same as that adopted in the case of non-gazetted officers borne on a Provincial or amalgamated ~~grade~~ list. Histories of services will not be kept for such officers; nor will their leave applications pass through the Audit Office. Pay slips will not also be issued by the audit office in the case of such officers (Vide para 2 of letter No.845 S & A.455-14 from the Comptroller and Auditor-General to all Civil Accountants General and Comptrollers, dated Delhi the 12th October 1916 Copy enclosed.)

3. It is desirable that with a view to securing uniformity of treatment and relieving the audit office of unnecessary -- work, there should be a clear line of demarcation between an

officer of gazetted rank and one of non-gazetted rank, and I would suggest towards this end that the procedure obtaining in Government of India be laid down for adoption here. Bills relating to the former will be dealt with in the gazetted audit section, which issues pay slips, certifies to leave applications and maintains History of Services. Officers of the latter class, enjoying the concession of drawing salary on individualbills, will be dealt with by the establishment audit section. No pa slips will be issued nor leave applications certified to nor History of Services maintained in their cases.

3. I may also take this opportunity to state that some appointments of not gazetted rank, such as Sub Registrars Superintendents of Secretariats, are gazetted, while -- appointments of gazetted rank, are not invariably -- gazetted. The appointments of officers detailed in the margin have not been gazetted though the method of -- audit adopted is that of gazetted audit. It would -- therefore be convenient if all appointments of gazetted rank are invariably notified in Part I of the Gazette and appointments of Non-gazetted officers intended for publication notified in a separate section for easy -- distinction.

2. The following instructions should be carefully observed in future :-

(a) No new class of non-gazetted officers will, in the absence of very special reasons, be admitted in future to th privilege of being considered as gazetted for purposes of audit. If, at the desire of a Local Government, a concessi is allowed for any new class of non-gazetted officers, it should be confined to the mere use of the gazetted officers' salary bill form. In all other respects, the officers concerned should be treated exactly as other non-gazetted officers. The audit procedure to be allowed in such cases should be the same as that adopted in the case of non-gazette officers borne on a provincial or amalgamated cadre. Historie of services will not be kept for such officers nor will their leave applications pass through the Audit Office. Pay slips wi not be issued by the Audit Office in the case of such officers

(b) In the case of classes of officers (except Sub Assistant Surgeons) who are now treated as gazetted officers for audit purposes, but for whom Histories of Services are not now maintained, the procedure laid down in paragraph 2 (a) above should be brought into force i.e., they will continue to draw their salaries on the gazetted officers' salary bill form, but will in all other respects be treated for purposes of audit as non-gazetted officers. If pay slips are now being issued to such officers by the Audit Office, they should in future be discontinued, reasonable notice of the change of procedure bei first given to the officers affected. (The United Provinces Government have suggested the desirability of ~~containing~~ continuing the existing procedure in the case of Sub Assistant Surgeons, in view of the various local and other allowances drawn by them.

the form of the audit registers prescribed in this office letter No.403 A & I.455-14 dated the 20th April 1915, for establishments on a provincial or amalgamated scale may not be suitable for them. Moreover, it is advisable to meet the wishes of the Local Government in this matter. I would request you to consider the question in consultation with the Local Government and to report to me what action is proposed
